DOCKETED

NOV 12 2015

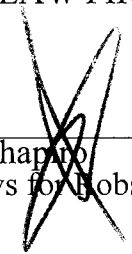

DOCKETED BY

Intervenor Robson Ranch Mountains, LLC ("Robson") makes this filing to ensure that the Line Siting Committee members are aware that representatives from the Arizona State Land Department ("ASLD") met with representatives from Robson on October 28, 2015 to discuss alternatives to the proposed route. Such alternatives would essentially move the portion of the line proposed to pass through and in the vicinity of SaddleBrooke Ranch onto State Lands, where 131 miles of the proposed route are already proposed to be located, sufficiently to the north of SaddleBrooke Ranch. At present, Robson understands

1 from the ASLD that the ASLD is undertaking due diligence to evaluate the proposed  
2 Robson alternatives, after which ASLD representatives intend to meet again with  
3 representatives from Robson and from the Applicant, SunZia, to discuss the matter. Both  
4 parties have impressed upon the ASLD the timing of this proceeding, and Robson does  
5 not wish for the Committee to be left with the impression that the ASLD was unwilling to  
6 or was not taking any steps to work with Robson and SunZia on a solution to Robson's  
7 objections to the proposed line. Such efforts are continuing and Robson remains hopeful  
8 that it will soon be able to join the Applicant in presenting the Committee with an  
9 alternative agreed to by the ASLD.

10 RESPECTFULLY SUBMITTED this 12th day of November, 2015.
